

# iFrame System

## Frame it with class.

Excellent system to display graphics in many different indoor environments: retail, trade shows, showrooms, interior design etc. Effective solutions as room dividers, free standing display and backdrops. Frames can be suspended from ceiling or wall mounted.

iFrame is very easy to install. Printed graphics are easy to apply or change without using any tools. Slick and almost frameless front gives an exceptional impact to the audience.

This system is available in any size up to 96" in width, backlit, frontlit, double sided and single sided.
